

Privacy Policy – Data Management and Protection

Date: 10/10/2025

1. Introduction

This Privacy Policy establishes the principles and procedures that **Vásquez Civil** follows for the collection, use, and protection of personal and project information provided by clients, partners, and users.

The Company is committed to complying with all applicable federal and state privacy laws in the United States, including the **California Consumer Privacy Act (CCPA)** and other relevant data protection standards.

2. Purpose

The purpose of this policy is to ensure transparency and responsibility in the handling of personal data, protecting the privacy of individuals and the integrity of the information managed by the Company.

3. Information Collected

The Company may collect and process the following information:

- **Personal Identification Data:** Name, email address, phone number, and company or organization name.
- **Project Information:** Technical and administrative data related to civil engineering or construction projects shared by clients.
- **Technical Information:** IP address, browser type, operating system, and browsing activity collected through cookies or analytics tools.

4. Use of Information

Personal data collected will be used exclusively for legitimate business purposes, including but not limited to:

- a. Communication with clients regarding services, estimates, or ongoing projects.
- b. Preparation and processing of contracts, permits, and technical documentation.
- c. Improvement of the Company's website, services, and customer experience.
- d. Compliance with legal, regulatory, and licensing obligations.

The Company **does not sell, rent, or share** personal information with third parties for marketing or commercial purposes.

5. Data Sharing and Disclosure

Information may only be shared in the following circumstances:

- a. With employees, engineers, or consultants authorized to perform contractual duties.
- b. With government entities, regulatory agencies, or authorized contractors when required for inspections or permits.
- c. In response to legal obligations, court orders, or government requests.

All third parties receiving information are required to maintain strict confidentiality and comply with applicable privacy laws.

6. Data Storage and Security

The Company implements appropriate technical and administrative safeguards to protect personal data against unauthorized access, loss, alteration, or misuse. Information is stored securely on servers located in the United States.

While the Company strives to maintain the highest level of data protection, it cannot guarantee absolute security for information transmitted electronically.

7. Rights of Data Subjects

Clients and users have the right to:

- a. Access, correct, or request deletion of their personal information.
- b. Withdraw consent to data processing.
- c. Request to stop receiving promotional or marketing communications.
